

ADULT ELIGIBILITY AND SERVICE PRIORITY

Policy Number: 203A, Revision 7
Effective Date: July 1, 2019
Date Last Revised: March 25, 2024

I. PURPOSE:

The purpose of this policy is to establish how the Workforce Innovation and Opportunity Act (WIOA) eligibility, priority of service including veteran's priority is to be implemented for the U.S. Department of Labor (DOL) programs under the management of the South Central Workforce (SCW).

Effective September 12, 2017, in accordance with Training and Employment Guidance Letter (TEGL) 19-16, there are ***no exclusion*** of payments for unemployment compensation, child support payments, and old-age survivor's insurance benefits from the income calculations for determining if an individual is low-income.

Local Workforce Development Boards (LWDBs) are directed to use the Self-Employment Training (SET) targets in WorkSource Information Notice (WIN) 0042, Change 10.

II. BACKGROUND:

The U.S. DOL has required local areas to develop a policy directing priority of service to low income and welfare recipients and veterans and spouses of certain veterans when funds are limited.

WIOA Sec. 134(c)(3)(E) establishes a priority requirement with respect to funds allocated to a local area for Adult employment and training activities. Priority of services funded under WIOA Title I Adult Program funds must be given to recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient in the local area. *Priority under WIOA must be provided regardless of the level of funds (WIOA Sec. 8 No. 3-15).*

III. ELIGIBILITY CRITERIA:

In accordance with WIOA, and eligible Adult is defined as an individual who at the time of application:

1. Is a United States citizen or otherwise legally entitled to work in the U.S.; and
2. Is 18 years of age or older [WIOA Sec. 3(2)]; and
3. For males born on or after January 1, 1960, registered for Selective Service (TEGL 11-11, Change 2). www.sss.gov

IV. ELIGIBILITY PROCESS:

The eligibility process, which may be done in person, remotely, or virtually, will include:

1. The use of WIOA Eligibility Application, Addendum to Registration Form (Attachment 1A or Attachment 1B), Family Income Form (Attachment 2) and Self Employment Training Notice (Attachment 4A or Attachment 4B) to generate all information necessary to determine eligibility and service priority and meet reporting requirements.
2. The maintenance of adequate documentation to ensure the credibility of the eligibility and priority determination, which shall at a minimum consist of:
 - a. A completed WIOA Eligibility Application, Addendum to Registration Form, Family Income Form and Self-Employment Training Notice for each applicant.
 - b. Copies of documents used to determine and verify eligibility (see Attachment 3 Eligibility Policy Handbook for a full list of acceptable documents).
3. Verification of the information provided on the WIOA Eligibility Application, Addendum to Registration Form, Family Income Form, Veterans Preference and Self-Employment Training Notice must be maintained as part of the applicant file. The following may be used to verify eligibility (see Attachment 3 Eligibility Policy Handbook for a full list of acceptable documents):
 - a. Age:
 - i. Birth certificate or hospital record of birth;
 - ii. Driver's License or DMV identification;

- iii. School records;
 - iv. Baptismal record;
 - v. Medical coupon or Public Assistance Records;
 - vi. Passport; or
 - vii. Self-Attestation.
- b. Citizenship or Eligible Non-Citizen:
- i. Driver's License/ID card and Social Security card;
 - ii. Permanent Resident Card;
 - iii. U.S. Passport/U.S. Passport Card; or
 - iv. Any form of documentation as defined by I-9 documentation requirements.
- c. Low Income:
- i. Pay Stubs;
 - ii. Employer verification;
 - iii. Public Assistance Records;
 - iv. Child support records; or
 - v. Self-Attestation.
- d. Selective Service:
- i. Selective Service acknowledgement letter;
 - ii. Form DD-214 "Report of Separation";
 - iii. Screen printout of the Selective Service Verification site;
 - iv. Selective Service Registration Card;
 - v. Selective Service Verification (Form 3A); or
 - vi. Non-Registered Males 26 Years and Over, see TEGl 11-11, Change 2

Signatures and dates of signatures for the applicant, the Contracting Agency's Representative and the Administrative Reviewer on the application attesting to eligibility and prioritization must be signed in ink or via electronic signature.

The remote or virtual source documentation process is as follows:

- Application Process

- This process is allowable for all categories of WIOA Title I-B Adult and Dislocated Worker services and WIOA Title I-B Youth program elements. During the process, the case manager and applicant initiate the WIOA Eligibility Application Touchpoint in ETO while performing applicable assessments:
 - Verbally by phone
 - By other platforms such as e-mail, text, chat, Skype, Zoom or WebEx
 - A combination of the above
- Verification and Documentation during the Application Process:
 - During the application process, supporting eligibility and priority of service documentation are obtained and verified:
 - By electronic means (e-mailed or texted attachments, scans, digital photographs sent in encrypted form; electronic signature platforms such as DocuSign or Verisign).
 - Through copies of documents sent via postal pickup or mail drop-off at local centers.
 - Through a combination of the above in order to safeguard Personally Identifiable Information (PII).
- Signature Collection and Alternatives
 - Required signature, for eligibility documentation (including WIOA eligibility application, EO and Complaint and Grievance Procedures, data collection certification, and self-attestation/applicant statement forms), are obtained via:
 - Electronic document signing platforms (e.g., DocuSign, Verisign)
 - Electronically transmitted digital photos of signed documents
 - Postal mail pick up or drop off of paper forms
 - A combination of the above
 - E-mail (can be used in place of signature)

- For the data collection certification and self-attestation/applicant statement forms, the applicant must reply in the affirmative that he or she or they certify the information is true and accurate. The response and date stamp on the e-mailed reply indicates the completion of the form.
- Security of Customer Data
 - The security of customer data and its transmission as well as ease of customer access must be considered. Refer to SCW Policy 112 – Personally Identifiable Information for additional guidance.

V. VETERANS AND ELIGIBLE SPOUSES PRIORITY:

On December 19, 2008, the DOL issued new regulations (20 CFR 1010) implementing the Jobs for Veterans Act (JVA 2002) and the Veterans’ Benefits, Health care, and Information Technology Act (2006). The regulations went into effect on January 19, 2009 and do three basic things:

1. Set forth requirements for each “qualified” program to provide priority of service for veterans and eligible spouses and require all grantees to have policies providing priority of service whether providing priority of service online or in person;
2. Require that, for purposes of implementing priority of service, the broad definition of “veteran” meaning a person who served at least one day in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable be used [38 U.S.C. 101(2)]; and
3. Add new requirements related to persons who physically access service delivery points or who access virtual service delivery programs on websites (See 20 CFR 1010.300):
 - a. Applicants to any “qualified” DOL programs and services must be able to learn about priority of service and to indicate whether they are veterans, etc.;
 - b. Program staff must initiate data collection for any person claiming priority at point of entry; and
 - c. Applicants who are veterans must be given the menu of programs and services to which the priority applies, and any additional program eligibility requirements.

Priority of service guidelines can appear inconsistent given the Jobs for Veterans Act and local program requirements. When multiple priorities for a given program or service arise giving the appearance of conflicting priorities, local policy and procedure must respond by defining a hierarchy or priorities that resolves the conflicts. For example, if the United States congress has established eligibility for a program, then the veteran or eligible spouse must meet the requirement for entry into the program. After meeting the eligibility requirement for the program, the veteran must be given priority over all non-veterans who also meet the requirement. Priorities set by federal statute are at the top of the hierarchy. Federal law sometimes allows targeting at the state or local level, but in these cases, priority of service for veterans takes precedence over state and local level targeting.

VI. PRIORITY OF SERVICE

FIRST PRIORITY: Shall be given to veterans and eligible spouses (covered persons) who are recipients of public assistance, other low-income individuals, or individuals who are basic skills deficient. (See Attachment 3 Eligibility Policy Handbook.) All participants must be notified of Veterans Priority of Service.

Veterans and other covered persons who are determined eligible for WIOA services are entitled to priority of service under all WIOA Title I funded programs (e.g. Adult, Dislocated Worker, Youth, 10% funded projects, and National Emergency Grant (NEG)). The term “Veteran’s Priority of Service” means that a covered person shall be given priority over non-veterans except for the priority of service established by law for the WIOA programs.

A “covered person” under the Priority of Service is defined as one of the following:

1. A person who served at least one day in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable as specified in 38 U.S.S 101 (2). Active service includes full-time Federal service in the National Guard or Reserve component. This definition of “active service” does not include full-time duty performed strictly for training purposes (i.e., that which often is referred to as “weekend” or “annual” training), nor does it include full-time active duty performed

- by National Guard personnel who are mobilized by State rather than Federal authorities (State mobilizations usually occur in response to events such as natural disasters).
2. A recently separated veteran is any veteran who applies for participation under this title within 48 months after discharge or release from active military, naval, or air service (WIOA definition); or
 3. An eligible spouse of:
 - a. Any veteran who died of a service-connected disability;
 - b. Any member of the Armed Forces serving on active duty who, at the time of spouse's application, is listed in one or more of the following categories and has been listed for a total of more than 90 days:
 - i. Missing in action,
 - ii. Captured in the line of duty by a hostile force; or
 - iii. Forcibly detained or interned in the line of duty by a foreign government or power;
 - c. Any veteran who has a total disability resulting from a service connected disability, as evaluated by the Department of Veterans Affairs; or
 4. Any veteran who died while a disability was in existence. A spouse whose eligibility is derived from a living veteran or service member (i.e., categories b. or c. above) would lose his or her eligibility if the veteran or service member were to lose the status that is the basis for the eligibility (e.g. if a veteran with a total service connected disability were to receive a revised disability rating at a lower level). Similarly, for a spouse whose eligibility is derived from a living veteran or service member, that eligibility would be lost upon divorce from the veteran or service.

EXEMPTION OF MILITARY SERVICE-RELATED INCOME:

In accordance with 38 U.S. Code Part 4213, that “any amounts received as military pay or allowances by any person who served on active duty, and certain other specified benefits must be disregarded when determining if a person is a ‘low-income individual’ for eligibility purposes.”

All pay and/or financial allowances earned while a veteran was on active duty are exempt. Title 38 U.S.C. 4213 also exempts from inclusion in low-income calculations any financial benefits received by a covered person under the following Chapters of Title 38 of the U.S. Code:

- 11. Compensation for service-connected disability or death.
- 13. Dependency and Indemnity compensation for service-connected deaths.
- 30. All-volunteer force education assistance program.
- 31. Training and rehabilitation for veterans with service-connected disabilities.
- 35. Survivors' and dependents' education assistance.
- 36. Administration of educational benefits.

Also excluded from low-income calculations are benefits received under Chapter 106 of Title 10 U.S. Code, Educational assistance for members of the selected reserve.

In contrast, to the various types of military income and benefits identified above that are exempted from inclusion in low-income calculations, certain other types of military-related income are not exempt. Specifically, pension payments authorized by Title 10 U.S. Code, such as those received by military retirees whether or not their retirement was based on disability, are not exempt and are to be included in “low-income” calculations. Also not exempted are pension benefits paid under Chapter 15 of the Title 38 U.S. Code.

When past income is an eligibility determinant for Federal employment or training programs, any amounts received as military pay or allowances by any person who served on active duty, and certain other specified benefits must be disregarded for the veteran and for other individuals for whom those amounts would normally be applied in making an eligibility determination. This applies when determining if a person is a “low-income individual” for eligibility purposes. (20 CFR 683.230)

SECOND PRIORITY: Shall be given to non-covered persons (that is individuals who are not veterans or eligible spouses) who are recipients of public assistance, other low-income individuals, or individuals who are basic skills deficient. Public assistance and other low-income individuals are defined as an individual who:

1. Receives, or is a member of a family that receives, cash payments under a Federal, State, or local income-based public assistance program;
2. Is a member of a household that receives or has been determined within the 6-month period prior to WIOA application for the program involved to be eligible to receive

- Basic Food pursuant to the Food and Nutrition Act of 2008 (7 U.S.C. 2011 Et seq.); or Temporary Assistance for Needy Families (TANF) program, or State or local income-based public assistance that is in relationship to family size;
3. Received an income or is a member of a family that received a total family income for the 6-month period prior to WIOA application that does not exceed the 70% of the lower living standard income level as outlined in WIN 0056, Revision 9. Under WIOA, there is **no exclusion of payments for unemployment compensation, child support payments, and old-age survivor's insurance benefits** from the income calculations for determining if an individual is low-income. These exclusions that were previously provided under WIA Sec. 101 (25) no longer apply (TEGL 19-16). Refer to Attachment 10 Includable/Excludable Income;
 4. Qualifies as a homeless individual, as defined in section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2(6), or as defined under McKinney Homeless Assistance Act (42 U.S.C.11302); or
 5. Is an individual with a disability whose own income needs meets the requirement of a program described in section 1 or 2 above, but who is a member of a family whose income does not meet such requirements. Even if the family (see definition of family below) of a disabled individual does not meet the income eligibility criteria, the disabled individual may be considered a low-income individual if their own income meets the income criteria of WIOA Sec. 3.6.2 (proposed 20 CFR 680.120; 680.130; and 680.210). The disabled individual would be considered a family of one and only the individual's income would be considered when determining low-income.

According to 20 CFR 680.120, 680.130, and 680.120, the above priority requirements do not necessarily mean that only the recipients of public assistance and other low-income individuals can receive WIOA Adult funded Individualized Career Services and Training Services when funds are determined to be limited.

THIRD PRIORITY: Shall be given to program-eligible veterans and eligible spouses (covered persons) who are not low-income, are not recipients of public assistance, and not basic skills deficient (WorkSource System Policy 1009, Revision 3).

FOURTH PRIORITY: Shall be given to those individuals who are not considered as earning a wage that is self-sufficient and who possess one or more of the following barriers (WIN 0128) to employment:

1. Basic Skills Deficient;
2. School Dropout;
3. Justice Involved;
4. Individual with a Disability, including a formal record of drug and/or alcohol abuse;
5. Homeless;
6. Single Parent;
7. Limited Work History;
8. Unemployed or underemployed and are pursuing training in local, high demand occupational clusters as approved by the Workforce Board;
9. Lacks Occupational Skills; or
10. Their family is not yet self-sufficient.

VII. PRIORITY SELECTION FOR INDIVIDUALIZED CAREER SERVICES AND TRAINING SERVICES FUNDED WITH WIOA STATEWIDE (10%) DISCRETIONARY GRANTS/CONTRACTS:

The State has determined that funds are not limited for purposes of the WIOA Statewide (10%) discretionary funds. The Governor has determined that these funds shall be prioritized in the following order:

1. Eligible veterans and spouses;
2. Unemployed individuals;
3. Low-income individuals; and
4. Other Washington job seekers.

As indicated by the first priority above, recipients of Discretionary grants/contracts will continue to provide priority selection of veterans for Individualized Career Services and Training Services in alignment with WorkSource System Policy 1009, Revision 3. In applying this policy to 10% funded projects, veterans who are unemployed and/or low-income, have priority over all other individuals served under these projects.

VIII. ASSISTING VICTIMS OF HUMAN TRAFFICKING:

U.S. citizens or lawful residents who are victims of trafficking can receive the same services that are provided to the general public under WIOA. In addition, under the Traffic Victims Protection Act, certain foreign nationals are also eligible for WIOA Title I services. This includes victims of a severe form of trafficking in persons and individuals granted a nonimmigrant “T” visa (TEGL 11-11, Change 2).

For the purpose of being eligible for WIOA Title I services as a victim of a severe form of trafficking:

1. Individuals 18 years of age or older must have been subjected to an act or practice described in the definition of “severe forms of trafficking in persons” and have received a letter of certification issued by the Department of Health and Human Services (HHS).
2. Children under 18 years of age who have been subjected to a severe form of trafficking need not be certified by HHS to be eligible for services; instead, HHS issues Letters of Eligibility to minor victims of trafficking. As with any participant, they must meet all applicable program eligibility requirements to receive WIOA Title I services.

Individuals who are granted “T” visas from the Department of Homeland Security are also eligible for WIOA Title I services. The “T” nonimmigrant Status (“T” visa) is available to individuals who are or have been victims of human trafficking and protects these victims of human trafficking by allowing them to remain in the United States to assist in an investigation or prosecution of human trafficking.

Employment and Training services should be provided to victims of trafficking to the same extent and following the same procedures and case management processes as for other One-Stop customers. However, services to victims of trafficking may need to be tailored and adapted to match the needs of this population. For instance, victims of trafficking may be English Language Learners (ELL), have criminal records (including from being forced into prostitution), or limited resumes.

IX. ADDRESS CONFIDENTIALITY PROGRAM:

The Address Confidentiality Program (ACP) helps individuals attempting to escape from actual or threatened domestic violence, sexual assault, human trafficking, or stalking to interact with state and local government agencies without disclosing their address in order to prevent their assailant or probable assailants from finding them.

The Office of the Secretary of the State confirms that nothing in the ACP Law (RCW 40.24) exempts or excuses an individual from providing phone numbers, emergency contact information, email addresses, or any other information required by clients. The laws governing the ACP apply only to state and local government agencies and only to a person's home, work and/or school addresses. The intent of the ACP is to ensure that victims enrolled in the ACP can access government services like everyone else but without having to place their address in the view of the public.

The WIOA Adult program will accept the substitute address of an individual enrolled in the ACP and enter this address into the state provided database. Never record the actual street address for work or home of an ACP participant in the state provided database. If someone is participating in the ACP, do not require them to disclose their actual work or home address.

If an individual is enrolled in the ACP, use the ACP address as the home address in the state provided database. Enter the address as it is printed on the authorization complete with the participation unique authorization code, or PMB number:

PMB# #####

PO BOX 257

Olympia, WA 98507-0257

X. INCOME VERIFICATION AND FAMILY SIZE FOR THE LOW-INCOME CRITERIA:

To determine whether an individual is low-income under the definition at WIOA Sec. 3(36)(A), it is also necessary to consider family size and family income. The intent is to prioritize services to individuals based on family income (low-income), not to exclude unemployed individuals, who meet the low-income criteria, from receiving services.

1. EXEMPTION OR INCLUSION OF TRIBAL INCOME:

Payments to tribal members by Indian tribal governments qualify for the general welfare exclusion if the payments are:

- a. Made pursuant to a governmental program of the tribe;
- b. For the promotion of general welfare (that is, based on individual or family need, and, uniquely in the case of programs of Indian tribal governments, to help establish Indian-owned businesses on or near the reservation); and
- c. Not compensation for services.

Payments under Indian tribal governmental programs meeting these requirements qualify for the general welfare exclusion whether the revenues that the Indian tribal government uses to fund the programs derive from levies, taxes, service fees, or revenues from tribally owned businesses. For example, general welfare programs may be funded from casino revenues.

However, per capita payments to tribal members of **tribal gaming revenues** that are subject to the Indian Gaming Regulatory Act are gross income under § 61, are subject to the information reporting and withholding requirements of §§ 6041 and 3402(r) and are not excludable from gross income under the general welfare exclusion or this revenue procedure (IRS Notice 2012-75).

2. **DETERMINING FAMILY SIZE:**

For these purposes, “family” under WIOA means two or more individuals related by blood, marriage, or decree of court, who are living in a single residence, and are included in one or more of the following categories:

- a. A married couple and dependent children;
- b. A parent or guardian and dependent children; or
- c. A married couple.

3. **DEFINING DEPENDENT:**

WIOA does not define dependent. To avoid uncertainty in making eligibility decisions regarding family size and income, the state has identified three examples in which a Youth must be considered as a dependent of parent(s) or guardian(s) for the purpose of determining family size for WIOA Title I-B Youth and Adult Program eligibility:

- a. Youth not yet 18, who are not emancipated youth nor runaway youth, living “at home” with their parents or legal guardians, including individuals in the temporary care of another individual or household, but not claimed as a dependent by that household.
- b. Youth age 18-19 who are full-time students in a secondary school or equivalent and are living “at home” with their parents or legal guardians.
- c. Youth age 18-24 who are not full-time students and are living “at home” with their parents or legal guardians and who are primarily supported by their parents.

A legal guardian is a blood relative (e.g., grandparent, aunt or uncle) or another legally recognized relative (e.g. decree of court) who claims the Youth as a dependent. The key factors are:

- a. Relationship by blood or decree of court;
- b. Living in a single residence; and
- c. The Youth is claimed as a dependent.

4. WASHINGTON’S MARRIAGE EQUALITY ACT:

Washington’s Marriage Equality Act ([RCW 26.60](#)) expands the definition of a “married couple” beyond that of a male and female couple. The US Department of Justice will no longer defend the federal “Defense of Marriage Act” as a number of courts have held it is unconstitutional, including the 1st and 2nd Circuit Court of Appeals. Accordingly, in relation to this policy, the state is expanding its definition of a married couple beyond that of a male and a female.

XI. DETERMINING BASIC SKILLS DEFICIENCY:

Basic Skills Deficient [WIOA Sec. 3(5)] means, with respect to an individual:

1. Who is a Youth, that the individual has an English reading, writing, or computing skills at or below the 8th grade level on a generally accepted standardized test; or
2. Who is a Youth or Adult that the individual is unable to compute or solve problems; or read, write, or speak English, at a level necessary to function on the job, in the individual’s family, or in society.

WIOA Adult Priority of Service Categories 1 and 2 must utilize the CASAS test as the only standard tool to determine Basic Skills Deficient (BSD) used for Adult program enrollment. Note: Individuals who are English Language Learners meet the criteria for BSD and must be included in the priority populations for the Title I Adult program.

Assessments Permitted:

The following CASAS assessments may be used in Washington. The National Reporting System (NRS) determines tests suitable for use and period for which that use is approved.

1. CASAS Reading GOALS – Approved through February 5, 2025
2. CASAS Life and Work Listening (forms 981-986) – Approved through February 2, 2023
3. CASAS Math GOALS – Approved through March 7, 2023
4. CASAS Appraisal (form 990)

These assessments meet the NRS requirements and:

1. Are appropriate for measuring literacy and language development of Adult students/job seekers;
2. Have standardized administration and scoring procedures;
3. Have alternate, equivalent forms for pre- and post-testing; and
4. Have evidence linking them to the NRS Educational Functioning Levels.

Administering the CASAS:

When using the paper test format, administering the CASAS to determine BSD requires two steps:

1. Appraisal test, and
2. Proper Pre-Test as indicated by the appraisal.

When using the e-test format (called Locator), administration of the CASAS to determine BSD is one step. The Locator is a short computer-adaptive test (CAT) that will quickly adapt to a test takers response and present an appropriate level pretest in one sitting. Note: The Locator is not a stand-alone test and cannot be used for placement.

Training Requirements for Staff Administering the CASAS:

To ensure accurate use of tests, appropriate interpretation of test results, and to maintain the validity, reliability, and integrity of the assessment process, testing is to only be administered by someone who has received state-recognized online CASAS Implementation Training at www.casas.org.

CASAS test administrators must also complete the online CASAS Beyond Implementation Training at least every two years. Local providers must retain certificates of completion for all staff persons trained in CASAS assessment for review by state monitors as requested. Providers must ensure the integrity of the testing process and security of materials aligns with the security policy outlined at www.casas.org.

Appraisal Test:

The appraisal test must be given first (prior to the pre-test) to determine the appropriate level and form of the pre-test to be used. The CASAS appraisal test cannot be used in lieu of the CASAS pre-test to determine BSD.

Note: If using the Locator (e-test), appraisal and pre-test are combined into one computer-adaptive test (see Administering the CASAS above).

Pre-Test:

Pre-Tests determine BSD and Educational Functioning Level (EFL). The proper pre-test form is indicated by the appraisal test results. Basic Skills Deficient is denoted by a CASAS score of 238 or below in reading and 235 or below in math.

Post-Test:

Post-test are administered before the end of a program year to those participants who are receiving instructions below post-secondary education. The EFL is a measure of the Measurable Skills Gain performance indicator (see Administrative Bulletin 221).

Any CASAS test administered within four months of the end of a program year can be used as the new program year's pre-test.

Minimum Documentation Requirements:

BSD must be documented in the state provided database WIOA Eligibility Application. To document BSD in the state provided database, staff must do the following:

1. On the “Barriers” tab of the WIOA Eligibility Application, check the “yes” radio button for Basic Literacy Skills Deficiency.
2. On the dropdown list for BSD Verification, choose “Standardized Assessment Test”.
3. Go to the “Notes” tab of the WIOA Eligibility Application and document the date of the test, score(s), name of person or entity administering the test and any other supporting details (as per WorkSource System Policy 1011, Revision 6).
4. Complete the “Testing and Results” Touchpoint in the state provided database and document the date of the test, score(s), name of person or entity administering the test and any other supporting details.

Staff should not upload into the state provided database or retain in hard files any CASAS document(s) that contain test questions or other sensitive testing information. See www.casas.org test security policy.

Accommodations for Participants with Disabilities or Other Special Needs:

Participants with documented disabilities are responsible for requesting accommodations and for submitting documentation of their disability at the time of registration, program entry, or after diagnosis. Local providers are responsible for providing fully accessible services and reasonable accommodations for participants with documented disabilities.

For participants who do not have disability documentation, or who choose to not disclose their disability, testing aids may be utilized when and where appropriate. These test-taking aids do not affect administration of the test. Test aids include:

1. Magnifying glasses/lenses/sheet
2. Clear and/or colored overlays
3. Straight-edge
4. Adhesive notes/flags
5. Highlighters
6. Visor
7. Earplugs

Contractors must ensure that all Adult Basic Education (ABE), Adult Secondary Education (ASE), and English Language Learners (ELL) participants with disabilities have equal access to test

accommodations, have equal opportunities to test, and receive equal treatment in testing situations. Contractors must follow the Americans with Disabilities Act (ADA) processes and procedures set forth at their organization in determining how to best serve participants with documented disabilities. However, participants are not required to reveal their disability and may elect to participate in a program without special accommodations.

The Guidelines for Providing Accommodations Using CASAS Assessment for Learners with Disabilities provides more detailed information on providing accommodations and is available at www.casas.org.

XII. POLICY: SELF-SUFFICIENCY

For the South Central WDA, a family of a given composition, living in a given community shall be deemed “self-sufficient” when its earned income is adequate to meet its basic needs without public or private assistance or has earned income greater than the Lower Living Standard Income Level, see Section XV below. The Self-Sufficiency Calculator will be a tool used in determining self-sufficiency. The Self-Sufficiency Calculator is located at www.thecalculator.org. For purposes of the South Central WDA, determination of “self-sufficiency” may also include mastery of basic skills by the family wage earners.

XIII. BACKGROUND: SELF-SUFFICIENCY

There are two categories of adults who are eligible to receive Individualized Career Services funded by the WIOA Title I Adult Program. They are:

1. Adults who are unemployed and unable to obtain employment through Basic Career Services and who have been determined to need more Individualized Career or Training Services in order to obtain employment; or
2. Adults, who are employed, meet the priority of service criteria established by local policy, and are determined to need services to obtain or retain employment that allows for self-sufficiency.

Local Boards set the criteria for determining whether employment leads to self-sufficiency. Washington State will use the term “Stop-Gap Employment” when referring to employment that will not lead to self-sufficiency.

XIV. SELF-ATTESTATION:

Self-attestation means a written, or electronic/digital declaration of information for a particular data element, signed and dated by the participant. DOL broadly interprets what is considered an electronic/digital signature. Electronic signatures or a submission from the participant such as an email, text, or unique online survey response is considered an electronic signature or verification; it must be participant generated and traceable to the participant. Grantees must retain documentation of the self-attestation. In an effort to reduce the amount of administrative burden resulting from the capture and maintenance of paper documentation, the Board allows the use of self-attestation, as defined in this document, wherever permissible under federal guidelines.

To ensure properly documented customer self-attestation, Contractors are required to use Attachment 5 Self-Attestation Form. Improperly documented self-attestation or self-attestation on eligibility elements not permitted under federal law or this policy will result in potential disallowed costs. Properly documented self-attestation will serve as documentary evidence of eligibility determination and will not, in and of itself, warrant disallowed cost findings through annual program monitoring.

XV. LOWER LIVING STANDARD INCOME LEVEL:

WIOA establishes the use of the Lower Living Standard Income Level (LLSIL) when determining low income and self-sufficiency (see References). The U.S. DOL annually updates and publishes LLSIL charts and the State is responsible for designating the appropriate LLSIL within the parameters established by DOL.

The U.S. Department of Health and Human Services (HHS) annually updates and publishes Federal Poverty Guidelines and the State holds that the HHS standard applies when it is higher than the LLSIL for the corresponding family size. See Attachment 11 WIN 0056 Lower Living Standard Income Level for the charts.
